

Speak up for yourself.
Speak out for others.
Amplify Yourself.

Please join the Amputee Coalition for Hill Days

in Washington, D.C.

This is our chance to speak up and tell legislators about the critical issues affecting the limb loss / limb difference community. Together we can work toward a common goal of ensuring that all people with limb loss and limb difference have medically appropriate, quality prosthetic care. It is essential in helping people Amplify their lives. No is not an answer.
